Why bring StarLink in to Produce your event?

THIS IS ALL IT COSTS YOU:

One coach airfare, round trip

One small room at the same hotel where your talent stays.

= **WHAT WE HANDLE WHILE WE'RE THERE:**

"The drummer is stuck in WHAT airport??"

"What do you mean, the caterer didn't know she was allergic to that?!"

"They delivered WHAT kind of piano???"

"And why hasn't the piano tuner shown up?"

"Let's get her to the hospital!"

"WHERE are the musical instruments? Sound check is in 2 hours!"

"The sound company brought the wrong mics!"

"Wrong lighting!"

"And I asked for lavender gels!"

"The Limo company forgot to pick up the band!"

"We need marley under the drum kit."

"The guitarist says we never paid the band."

**Because things can go wrong.
And 1 of us is worth 5 of your own employees.**
